

PINAL COUNTY EMERGENCY COMMUNICATIONS GROUP

_____ (date)

This is N7FO, calling the Pinal County Emergency Communications Group (PCECG). The group operates under the Amateur Radio Emergency Service, ARES.

Are there any stations with emergency traffic?

This is a directed net, meeting every Tuesday at 7 pm local time on the ARA Pinal Peak repeater at a frequency of 147.200 MHz positive offset, with a PL tone of 162.2 . In the event this repeater fails, the net will move to the Sacaton repeater, 447.725 negative offset, PL tone 100.

Net Control tonight is _____, my name is _____, and I am located in _____.

(BREAK)

The purpose of this net is to provide information and coordination concerning the activities of PCECG. It is also intended to serve as a weekly emergency net operations training session. **We welcome and encourage all amateur radio operators to check into the net even if you are not a member of PCECG.**

Be advised that STATIONS WITH EMERGENCY TRAFFIC MAY BREAK IN AT ANY TIME. All other stations, please observe proper procedure for any transmission. Visiting stations will be invited to check-in after the ROLL call for PCECG members.

(BREAK)

Net Control will now call for PCECG members by call sign, and in the order of enrollment in the group:

And now we will open the net up for comments, and we'll just go down the roster....

TRAINING SESSION (optional)

This is N7FO Net Control, closing this directed net of the Pinal County Emergency Communications Group at _____ pm, and thanks to all stations for participating.

This net meets weekly on Tuesdays at approximately 7:00 PM. All amateurs are invited to participate.

I'd like to thank everyone for checking in, and I'd also like to thank the Arizona Repeater Association for the use of this frequency, we now turn the repeater back over to normal operation.

N7FO, clear.
